

Hello

"Association of Theater Teachers" is the only official, legal and non-governmental trade union of theater teachers in the capital of Iran, which supports the membership rights of teachers of universities and theater schools and supports members with the cooperation of independent institutions.

Among the activities of this association, we can mention the following of teachers' rights, publishing research books and magazines and plays, holding scientific seminars and educational workshops, introducing professors to educational centers, developing scientific lessons. Planning to teach in universities and theater schools. Providing welfare services to members, introducing members to the government for membership in pension and medical insurance, introducing members for bank loans, annual ceremonies, attending cultural exhibitions, cooperating with government cultural institutions, allocating theater and festival tickets for members, holding courses Educational theaters, professional training for theater students and...

Due to the sharing of our activities and goals with educational and research organizations and the theater trade union, the proposal of cooperation of the trade union of theater teachers has been raised with you.

Some suggestions for cooperation:

- ١) Holding face-to-face and online classes of various theater trends
- ٢) Publication of books, magazines, plays and joint articles
- ٣) Holding seminars, festivals, exhibitions and joint workshops
- ٤) Creating a database of theater teachers
- ٥) Interaction to support the education of university professors in doctoral and post-doctoral degrees of universities around the world

With victory and health
